

Update from the Romney Marsh Community Hub - May 2024

We would like to start by saying a very big Thank You to all the local businesses who have allowed us to have collection tubs by their tills. Thank you to everyone who has contributed their change to either these or the cardboard collection boxes that they had at home. In the last year April 2023 - March 2024 you have raised over £3,000 to help us continue our work here at the Romney Marsh Community Hub.
