

Interested in a STEM career?

If you're currently at school or college and have an interest in a STEM (Science, Technology, Engineering, Mathematics) career, our work experience taster week at Dungeness A Power Station can offer you a real insight into the nuclear industry and the opportunity for you to learn more about future career paths.

Get real experience of nuclear decommissioning!

The work experience taster week allows you to gain real insight into the industry and the work environment, providing you with experience of:

- The nuclear industry
- The organisation, Nuclear Restoration Services (NRS)
- Different job roles and activities at a decommissioning Site.

When:
13th - 16th July 2026

Where:
**Dungeness A Power Station,
Romney Marsh,
TN29 9PP**

What will you do over the week?

- Tour the site
- Speak with NRS personnel
- Meet our graduates and apprentices
- Hands-on activities and challenges

To apply, just send your CV to
 **DNA.STEM@nrservices.uk**

Applications close 31st March
Interviews from 27th April
