65. ELECTRICITY CONTRACT RENEWAL

A briefing note had been circulated to Councillors as Lydd Town Council's current contract for the supply of electricity with Corona Energy is due to finish on 31st March 2022.

The Town Clerk advised that Corona Energy have offered a renewal agreement for a further 12 months which was prepared by them in January 2022 which advised that the contract would be automatically renewed unless a termination notice was sent.

The comparison prices are shown in the table below.

However, a colleague had approached a broker to provide alternative suppliers with quotes for the supply of electricity which is for the Guild Hall, Manor Road Pavilion and the garages. As suppliers' costs fluctuate due to changes in the energy market these figures were valid until 16th February 2022 only.

However, things have now changed as we have now been advised that many of the suppliers approached for competitive pricing have withdrawn prices due to the invasion of Ukraine.

Following this advice, the recommendation is that we stay with our existing provider Corona Energy for the 12-month period and then reconsider the contract when the market stabilises.

In the meantime, the Town Clerk requested a quote from Corona for a 36-month contract which was not available at the time of the meeting as supply companies has ceased offering prices at the moment due to the unpredictable behaviour of the energy market.

Supplier	Term of contract (months)	Day rate (Pence per kWh)	Standing charge (Pence per day)	Annual cost (Based on 6000 kWh)	Notes
Corona	Ending 31/03/22	13.9863	32.416	£1,996.00	CURRENT TARIFF
Corona	12	33.3387	32.581	£2,000.32	RENEWAL PRICE (AS OF 31/01) TO TAKE EFFECT FROM 01/03/22

RESOLVED: Delegated authority to the Town Clerk for the new electricity contract.

Proposed by Cllr Snell and seconded by Cllr Hills

68. GREAT BRITISH SPRING CLEAN 2022

Councillor Goddard report on the arrangements for the Great British Spring Clean in Lydd which he was arranging as a District Councillor and was being sponsored by Folkestone and Hythe District Council. Councillor Goddard said that everyone was welcome to attend on 2nd April at 10am at the rear of the Guild Hall in Park Street to join the litter pick in Lydd.

69. REQUEST FROM KENT ASSOCIATION FOR THE BLIND TO USE THE RYPE (Appendix E page 88 to 89)

Councillors considered a request from Kent Association for the Blind to park their mobile eye health bus on the outer edge of the Rype for a day in April so that people can come and have free eye health advice. They also need enough space to put up their awning and to be safe for pedestrians. <https://www.kab.org.uk/get-support/help-advice/iris-mobile-sight-centre/>

RESOLVED: To grant permission to the Kent Association of the Blind for use of the Rype on 11th April to park their mobile eye bus and awning to offer free health advice to the community.

Proposed by Cllr Snell and seconded by Cllr Laws

REQUEST FROM RICS - LIGHTING OF A PLATINUM JUBILEE BEACON

Councillors were invited to consider a request from RICS in relation to the information previously circulated to them with their agenda pack as follows:

The Royal Institution of Chartered Surveyors (RICS) contacted Lydd Town Council in relation to the Platinum Jubilee Beacon lighting. They explained that historically RICS has lit a chain of beacons as part of Jubilee events and that they have been asked to light an anchor chain of 40 beacons for the Platinum Jubilee.

They said that they would provide a freestanding gas beacon with volunteers to light it and that they had been given permission by the Watersports Club at Herons Park to site it there. RICS asked in Lydd Town Council wished to be involved and that they are happy to work with councils who would like to open the events to the local community.

I made contact to explain that Lydd Town Council are arranging our own Beacon Lighting ceremony to which the community are invited and talked them through the plans that have so far been decided as part of the General Purposes Committee and that if they wished to provide support or funding for the Lydd Town Council event then that this could be considered and their request would be an agenda item for the Council to discuss if they could provide me with sufficient details.

They have now sent the details below:

As part of previous Jubilee celebrations, RICS has historically lit the anchor chain of beacons. Originally in 1977, RICS lit more than 100 beacons for the Silver Jubilee, and Lydd was one in our original chain – I believe the Mayor of Lydd actually lit the beacon. We lit the beacons again for the Golden and Diamond Jubilees, although fewer in number, and I believe Lydd was also part of the chain on those occasions. RICS has been asked to light the chain once more on the 2nd June as part of the celebrations for the Platinum Jubilee, and we would welcome Lydd's inclusion in the chain. The only requirement is that the beacon is lit at 9:30pm rather than the slightly later time of 9:45pm that the rest of the beacons in the country outside the RICS chain are being lit. RICS can also help publicise beacon sites within the chain, and provide members to support as stewards on the day if needed.

The options Councillors were asked to consider were as follows:

- a) Lydd Town Council event - In considering the request from RICS, Councillors should pay particular attention to the highlighted text in that they would wish the beacon to be lit at their request at 9.30pm and not the time at which Lydd Town Council would light the beacon which is at 9.45pm as set out in the guidance by the Pageant Master at the Lydd Town Council event
- b) RICS beacon at Herons Park Watersports Club -To consider granting permission to RICS to light their own beacon at a different location earlier than the Lydd Town Council beacon
- c) To decline permission to RICS

Cllr Bob Jones said that he felt lighting a second beacon in Lydd would detract from the event being organised by Lydd Town Council's General Purposes Committee and that it was hoped as many people as possible would attend that event.

Cllr Hills said he felt that Lydd Town Council should stay with the timings set by the Pageant Master on these occasions.

Cllr Snell said that in 2012 he went to Herons Park to light a beacon but it was difficult to co-ordinate lighting two beacons and felt that the decision should be left to the Mayor to decide.

Cllr Jones reported on the items that have already been ordered in readiness for the event and requested delegated authority for the office to order some of the smaller items such as bunting, flags and commemorative mugs for the school children which would be reported to the next General Purposes Committee meeting.

**RESOLVED: That the decision to attend the RICS event be left to the Mayor
That the smaller items required for the Lydd Town Council Beacon lighting event be ordered by the office under delegated authority and a spreadsheet of expenditure to date reported to the next meeting of the General Purposes Committee.**

70. MARSH VINTAGE FAIR

Councillors were advised that the Marsh Vintage Fair have cancelled their booking for Tuesday 29th March - 11th April and request the use of the Rype for the new dates as follows: 18th October - 1st November 2022

Cllr Mrs Kerry Manahan proposed that she approached other Fairground as she had several contacts to book them for the Rype for the end March, beginning of April period. This was seconded by Cllr Mrs Ann Duncan.

**RESOLVED: That Cllr Mrs Manahan be granted a mandate from the Council to approach other fairground operators to hold a Fair on the Rype during the end March/beginning April period due to the cancellation of Marsh Vintage Amusements
Unanimous**

71. CONSULTATIONS

The following consultations had been circulated to councillors for comment.

i) Consultation on Statement of Principles for Gambling (Gambling Act 2005)

FHDC is required to have a written Statement of Principles setting out its approach and expectations as a licensing authority under the Gambling Act 2005. The statement must be reviewed every 3 years.

A draft revised statement is now open for consultation and can be viewed at

<https://www.folkestone-hythe.gov.uk/gambling/licenses-permits>

If you would like to submit comments on the policy, please email

licensing@folkestone-hythe.gov.uk The latest date for comments is 8th March 2022

Cllr. Goddard said that this was a very important consultation and that one of the best consultations that Folkestone and Hythe District Council has produced and advised Councillors that their input was important.

ii) Consultation on proposed savings for the Supported Bus Services

KCC's budget for the 2022/23 financial year was agreed on Thursday 10th February and included a reduction to the Supported Bus budget to £4.3m representing a decrease of £2.2 million. KCC currently spends about £6 million a year to contract services which are not profitable for bus companies but which the council thinks are important to the communities they serve. The proposed changes mean 48 contracts have been selected for possible withdrawal from the budget. The consultation formally opens 24th February and will close on 20th April.

Visit www.kent.gov.uk/bussavings to view the full list of the services proposed to be withdrawn and take part in the consultation. For queries or requests for hard copies, email bussavings@kent.gov.uk or call 03000 421437 referencing KCC Bus Funding Reduction.

Cllr Hills said that this was very important but none of the services on the Marsh were to be affected but there are some bus services that are barely used which puts the service provider in a tough place.

Received and noted – no comments submitted by Councillors at the meeting,

CIVIC ENGAGEMENTS

The Deputy Mayor advised that there had been no civic engagements at which the Town Council has been represented during February.

The meeting closed at 7.55 pm

LYDD TOWN COUNCIL BRIEFING NOTE **MARCH 2022**
ALLOTMENT PROJECT

Lydd Town Council provides the finances for an annual project at Lydd Allotment for the improvement of the area and the work is organised by the Lydd Allotment Association Management team who have a self- management arrangement with Lydd Town Council for the allotments and they provide their time as volunteers.

Any income generated by the Allotments such as rent for plots and the payment from ARQIVA telecommunication mast should be kept in a separate column in the accounts for Lydd Town Council and the money spent on the Allotments.

The original lease for the Mast came to an end and a new lease was drawn up at the end of 2019 which had new reduced fees and began at the start of 2020.

The Lease is for a period of ten years and it replaced the old Lease that expired.

Under the terms of the new Lease the rent payable in advance is £1,500 per annum plus an additional payment upon completion of the Lease for £2000 on the 1st January 2020, the 1st January 2021 and 1st January 2022.

Under the terms of the Lease there is a rent review clause which allows for the rent to be reviewed at the 5th anniversary of the Lease and every five years thereafter.

In the financial year 2019-20 Lydd Town Council received 3 payments from Arqiva which totalled £15,807.22 (details below) and £3,380 in allotment plot rents = **£19,187.22 Income**

10.05.19	£6,903.61
22.11.19	2,000.00
22.12.19	6,903.61

The payments made for the Allotments in the financial year 2019-20 was £3,425.29

In the financial year 2020-21 the income was from the allotment plots was £3,900 and the payments were £ 8,777.36

In the financial year 2021-22 the income to date is 3,478.86 from allotment plot rents and we have invoiced Arqiva for their Mast lease rental for which we are awaiting payment. The payments in this financial year are £1,923.88

FINANCIAL YEAR	TOTAL INCOME	PAYMENTS	BALANCE
2019-20	£19,187.22	£3,425.29	£15,761.93
2020-21	£3,478.86	£8,777.36	(5298.50)
2021-22	£3,478.86	£1,923.88	£1554.98
TOTAL AVAILABLE BALANCE			£12,018.41

The amount requested by the Lydd Allotment Association for the project to repair the track is £4,750

KCC Member for Romney Marsh Report
21.01.2022

Here is my latest report for Lydd times.

Highways matters.

We have lots of 'pot holes' appearing with the frosty weather. If you find a problem, please report it on the site address below.

<https://webapps.kent.gov.uk/KCC.KHSFaultsGIS.Web.Sites.Public/ReportAFault.aspx>

Storms Eunice and Franklin

Following the flood warning from the EA for Dungeness to Rye Harbour on Thursday 17th of February I visited Galloways beach in Lydd Ranges on Friday the 18th at high water to see how bad it was. We had overtopping of the shingle crest. I returned on Sunday the 20th as far as I could see just more over topping, but we could have had a breach further down Lydd ranges towards South Brooks. The forecasted 'storm surge' thankfully never materialised.

We had some power cuts across Lydd Parish, Lydd town of Friday. I had reports that down the coast on the Parade had power outages. The Coastguard Cottages at Dungeness I believe had no power all week, hopefully now sorted by UK Power Networks. From what I could see the roads that had fallen trees were cleared by the Kent Fire & Rescue with the help from the local farmers.

Sea Defence News

The sea defence scheme at Lydd ranges the construction is progressing well, the improvements down at Jurys Gap proved there worth during storm Eunice, but the full works will take at least two years to complete. I hope to have a site visit in March/April.

Littlestone re-shingling I was informed of this winter's work, from Louise Sturgeon of the EA...

"I wanted to inform you that we are planning to undertake our annual shingle recycling between Littlestone and St Mary's Bay in the new year.

We are currently liaising with our contractors and hope to carry out the works between mid-January and conclude in February 2022.

Generally, the project will replicate what we did last year including; removal of the shingle from the promenade at St Marys Bay, compounds at Jesson Outfall and Coast Road (by the water tower), pre/post condition surveys for the temporary compound on Coast Road and provide updates to the local community/businesses e.g. Town Clerk, Romney Bay House Hotel, Varne Boat Club, RNLI Littlestone.

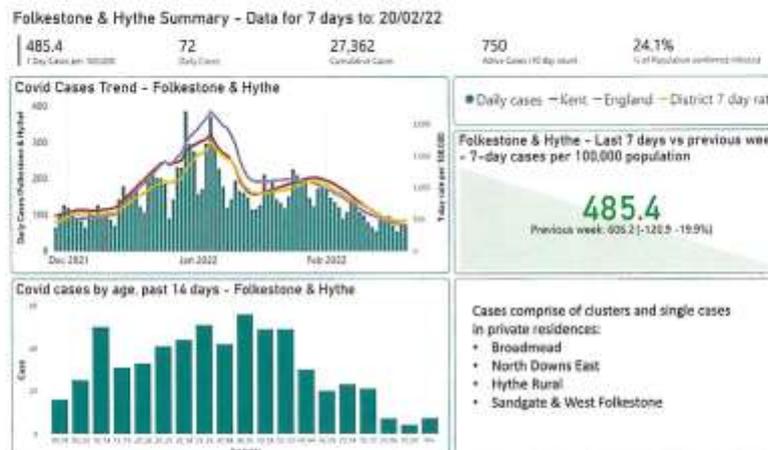

Works will be delivered by Canterbury City Council under our Public Sector Cooperation Agreement."

I took a trip down to Littlestone wall, the shingle defence is looking very good. I hope to an inspection with Louise soon.

Covid update

Much better news this week after the very high rates of infection in the district. The current level sent out this week is as follows:

HWRC

Booking System is here to stay now that 'on-the-day' bookings being introduced across Kent.

Following a large response to the public consultation held last year.

On the 18 of January the Environment & Transport Cabinet Committee members voted in favour of the recommendation to retain the system and to introduce 'on the day' bookings at all HWRC's.

KCC Bus Funding Reduction Public Consultation

KCC have launched their public consultation on which bus routes should lose their support following the passing of the KCC Budget. Please give your views by the 20th of April.

Climate Change

So far this winter we have been very lucky on the Marsh, lets hope it stays that way. As a point of interest the 'Coastal Survey' is giving a local sea temperature of 8.7 degrees (as I write this)...very warm for late February. Extra heat in the sea can cause extra energy in the atmosphere, which creates more stormy weather.
