'Dhanyabad', thank you, so much for choosing to support the work of The Gurkha Welfare Trust.

Dear Ms Alexander and all at the Lydd Town Council,

Thank you for your continuous support through all these years. We can confirm that the donation of £2500 raised at the Gurkha Band Concert has been received on 16<sup>th</sup> January 2025.

Your donation will not only help us support our elderly pensioners but also young people and communities across Nepal. Our school program builds and repairs schools in remote regions to provide children with access to education and a brighter future. In the village of Dhodeni, most of the households have toilets, but Shree Siddha Basic School lacked proper toilet facilities. GWT constructed a new toilet block with separate facilities for boys and girls, as well as hand washing stations. It has made a big difference to the students and teachers. Now, they do not have to wait in queue to use the toilets. Students can wash their hands before eating and after using the toilet.

Thank you again for your support to ensure the 'Bravest of the Brave', their families, and communities in Nepal can live with dignity.

With my very best wishes,

Rii Bura
