

## LYDD TOWN COUNCIL – SCRIBE REPORTS

---

Following the resolution made by the Council at the 4<sup>th</sup> March meeting to change from excel based accounts to the use of an accounting system, the transition work has been ongoing. The RFO has undertaken some online training courses, and the accounts are up to date in the system.

The result of this change means there is a change in format to the reports that are presented to Councillors. The reports are system driven as opposed to being manually prepared as in the past. The reports have been prepared directly from the system as any manual intervention could lead to errors. The information contained within the reports is the same as previously provided but with a different presentation.

30<sup>th</sup> June 2026
